Register by September 9th for the fall season!

Pre-K League: for Newton children who are entering kindergarten in the fall of 2024

Kindergarten League: for Newton children who will be kindergartners this fall

Since 1993, Kindergarten Soccer has been introducing children to soccer in a fun and non-competitive environment where girls and boys develop friendships, learn teamwork and gain confidence.

We play on Saturday mornings at the Oak Hill Middle School fields, starting September 23th and will run for six (6) weeks. No games on October 7th in observance of Indigenous Peoples' Day.

Join us and meet other families in your neighborhood!

Game times are based on school assignment and will be communicated after teams are created (in early September).

Kindergarten Soccer is a program created and hosted by the Zervas Elementary School PTO since 1993.
